2025**
(Monday nights)

A one-person team, handicapped league
Meeting will be Aug 25th @ 7:30 pm
Start Date: September 1st @ 9 pm

This is our first attempt at a mixed, singles league. This will start at 9pm (or after Men's Commercial finishes if running late). This will be a USBC sanctioned league. The lanes will not be freshly conditioned. At this time, we will cap this at 32 bowlers (two bowlers per lane). Should finish by 10:30 each night. If there is more interest, we will look at options as to how to run this. This will be a 16-week league, ending 15 Dec. More details to be discussed in the meeting.
